

# TRI DENDA

## WEB DEVELOPER

### ABOUT ME

I'm an enthusiastic web developer who loves solving problems and making meaningful impacts through the products that I built. For me, programming languages are just tools to help solve those problems. And for now, I use JavaScript as my primary language to build the frontend, backend, and mobile app.

### EDUCATION

**2018-2022**

**S.Kom: Infomatics Engineering**

Universitas Buana Perjuangan Karawang

### WORK HISTORY

**UX Desainer (Intern)**

**PT Fratama Kencana Gemilang**

**2021-02 - 2021-07**

As an intern UX designer, I'm responsible for building UX/UI design using Adobe XD and bringing better experiences for users.

**PERURI**

**Quality Controller**

**Perum Peruri**

**2017 - 2019**

As a quality controller, I'm responsible for checking the quality of the products. I also participated in Peruri Innovation Awards and won a gold medal for my application.
